

Pricing Breakdown

All fees must be paid in full by the day prior to the scheduled training day. You will receive an e-invoice to submit payment.

Training dates are not pre-set and will be determined based on interest and availability.

Training dates that are Monday through Thursday are the “base price” listed below. Friday through Sunday are +\$500 for each participant.

- Base Price for Ultrasound Anatomy and Diagnostics, 1-day, 7 hour training session: \$3,000 per participant
- Package Price for Ultrasound Anatomy and Diagnostics, 2-days, 14 hour training session: \$5,000 per participant
- Injection Training (any 3 joint areas or 1-2 with more advanced techniques), 1-day, 7 hour training session: \$3,500 per participant
- Injection Package Price (all 6 extremity areas), 2-days, 14 hour training session: \$6,000 per participant
- Full Package Price for 2 days of ultrasound anatomy and 2 days of injection training: \$11,000 per participant

*Specific curriculum can be tailored to the participants’ desires.

- For example, instead of “upper extremity”, a course could be “big joints” and cover knee, hip, and shoulder.

*Injection training requires that you yourself are willing to be injected (with saline), or can bring someone as a stand-in to be injected for you.
